# Levy Calculations

Player levies for all underage tournaments are based on the overall cost of sending the team to the tournament. For each team (with the exception of the Sunday trials and Festival of Cricket), Canterbury/Christchurch Cricket subsidises the cost of participation of the teams involved.

The amount of the subsidy and the amount a player contributes varies, depending on the level of competition and can be seen in the table below.

Tournament Type	Player Contribution	Canterbury/Christchurch Cricket subsidy
Sunday Trial/Festival of Cricket	100%	0%
Regional Tournaments	80%	20%
Bi/Tri/Quad series	70%	30%
Canterbury Zonal	50%	50%
National Tournaments	30%	70%

Player levies cover the following expenses (depending on the tournament)

- Accommodation and meals
- Travel expenses
- Coach expenses
- Manager expenses
- Ground and Pavilion Hire
- Umpires
- Clothing
- Cricket Balls
- Refreshments

For the first time this season regional tournament costs are being equalised across Christchurch and the Canterbury Districts (Canterbury Country, West Coast, Buller, Mid Canterbury and South Canterbury). This ensures all participating regions will make an equal contribution towards tournament costs. In the interests of all parties, to keep costs to a minimum, the tournaments have been centralised for 2011/12 to venues in Christchurch and Canterbury Country. This will minimise travel and accommodation costs.
