GET INTO CRICKET**

Did you know that...

... current and former Black Caps, Scott Styris, Chris Cairns, Simon Doull, Andre Adams, Iain O'Brien & Brendon Diamanti and **White Ferns Helen Watson & Rebecca Steele** all represented New Zealand at Indoor Cricket before they made their outdoor debuts for New Zealand.

Other first class cricketers and current Black Caps to also play the Indoor Game are Jesse Ryder & Martin Guptil, together with **White Ferns Kate Pulford & Amy Satterthwaite**, just to name a few.....

So Girls what are you waiting for, join us now in the great form of Cricket ...that never get's rained out

All players have to bat and bowl as well as do their bit for the team while in the field. Your reactions have to be quick, your bowling accurate, and you need to be able to score runs from every ball faced.

Action Cricket has helped me to develop the skills and ability I need to play cricket at the highest levels. If you are a young cricket enthusiast and are keen to develop your skills — get into Action Cricket.

So with that in mind, on behalf of Action Indoor Sports Stadiums I'd like to extend an invitation to you and your friends to join the team at Action Indoor Sports to take part in New Zealand's Premier female Indoor Cricket competition, they have awesome Stadiums and great programmes .

You'll have heaps of fun each week, be able to improve your all round cricket skills and get a head start for your next summer season outdoors. So don't miss out on the fun and start organising your team now!

We look forward to seeing you soon.

Best Regards
